

Journey to Safety

The Domestic Abuse Program of Jewish Family & Children's Service

Announcing a New TeenSafe Initiative

Are you a Jewish 10th grade girl in Greater Boston?

Are you passionate about being involved in your community?

Do you want to learn leadership skills?

**Do you want to raise awareness
about teen dating violence?**

**Are you interested in
joining a group of 10th
grade Jewish girls to talk
about healthy relationships?**

83% of 10th graders surveyed at the 4th Annual Teen Dating Abuse Summit reported that they would sooner turn to a friend for help with dating abuse than to a teacher, counselor, parent, or other caring adult.

Members will meet monthly on Sundays to participate in fun activities and enhance leadership skills. We'll also create a community project to raise awareness about teen dating violence.

Members will enjoy great snacks and will receive a \$200 stipend and community service hours upon completion of the project.

Domestic violence, teen dating violence, and sexual assault are serious issues and can be life-threatening crimes that affect millions of people across our country **regardless of age, economic status, race, religion, or education.** *~National Network to End Domestic Violence*

This project is made possible by a generous grant from the Boston Jewish Community Women's Fund.
