

## National Parkinson's Foundation Presents JF&CS with \$10,000

Jewish Family & Children's Service is proud to announce that we received a \$10,000 grant from the National Parkinson's Foundation for our Parkinson's Family Support programs!

The CEO of the National Parkinson Foundation, Joyce Oberdorf, National Parkinson's Foundation board member Bob Meltzer, and Patrick Nelson of National Parkinson Foundation Boston attended our Parkinson's dance class on June 17 and presented us with a check. Grants and donations like these are critical in helping us do the work we do.
