Thank you!
Memory Café directories

- Massachusetts café directory, including in-person and virtual cafés: [www.jfcsboston.org/MemoryCafeDirectory](http://www.jfcsboston.org/MemoryCafeDirectory)

- National in-person café directory: [www.memorycafedirectory.com](http://www.memorycafedirectory.com) and national virtual café directory: [https://www.memorycafedirectory.com/cafe-connect/](https://www.memorycafedirectory.com/cafe-connect/)
Do you have ideas about how to make Percolator idea exchange more dementia friendly?

• Meet 2-3 times by Zoom to discuss how to better include individuals living with dementia in Percolator idea exchanges. First meeting in later this summer.

• Please notify Beth in the chat or at bsoltzberg@jfcsboston.org
Keep in touch!

- Sign up for Percolator mailing list at [www.jfcsboston.org/Percolator](http://www.jfcsboston.org/Percolator)

- If you are not receiving Percolator emails, check with me at [bsoltzberg@jfcsboston.org](mailto:bsoltzberg@jfcsboston.org). Your organizational server may be rejecting the messages.

Sandy Sabersky and Ruth Neuwald Falcon, Elderwise
Elderwise Way Key Concepts: Wholeness

• Are you whole if you have dementia?
Elderwise Way Key Concepts: Wholeness

- Are you whole if you have dementia?
- Yes. A person with dementia is whole.
Elderwise Way Key Concepts: Spirit-Centered Care

• What is Spirit-Centered Care?
Elderwise Way Key Concepts:
Spirit-Centered Care

Spirit-Centered Care is:
• Working from Your Own Essence
• Recognizing the Essence of Others
Elderwise Way Key Concepts:
Spirit-Centered Care

This is a spiritual practice for the caregiver because you are staying in touch with your own essence.
**Elderwise Way Key Concepts:**

**Spirit-Centered Care**

Spirit-Centered Care is:

- A Sense of Equality

Elderwise Way Key Concepts: 
Spirit-Centered Care 

Spirit-Centered Care is:
- A Sense of Equality
- Us vs. Them Phenomenon
Elderwise Way Key Concepts: Spirit-Centered Care

Spirit-Centered Care is:
  • Deep Listening
Elderwise Way Key Concepts:
Spirit-Centered Care

Spirit-Centered Care is:
• Deep Listening
• Slowing Down Time
Elderwise Way Key Concepts: Spirit-Centered Care

With a slower pace, people can relax and open up and think about what they may want to say...
Elderwise Way Key Concepts: Spirit-Centered Care

With a slower pace, people can relax and open up and think about what they may want to say... and we can be present to listen.
**Elderwise Way Key Concepts:**

**Spirituality & Dementia**

- Can you grow spiritually with dementia?
Elderwise Way Key Concepts:
Spirituality & Dementia

If we define *spiritual* as getting closer to the deepest part of who we are, then there is no reason why spiritual growth can’t continue even after a diagnosis of dementia.
Elderwise Way Key Concepts: Spirituality & Dementia

- One can become more open, more loving, and more joyful.
- Those things are deeper and closer to our essence.
**Elderwise Way Key Concepts: Spirituality & Dementia**

- Just as a blind person can learn through a heightened sense of touch, a person with dementia can develop a heightened sense of heart.
Elderwise Way Key Concepts: Spirituality & Dementia

• To the extent the brain is damaged, the focus, clarity and will to support further intellectual development are impaired.
Elderwise Way Key Concepts: Spirituality & Dementia

• Forces of habit carry us forward and reflect how a person occupied their mind before the onset of dementia.
Elderwise Way Key Concepts:
Spirituality & Dementia

• The person with dementia has not lost any spiritual ground that was previously gained.
Elderwise Way Key Concepts: Spirituality & Dementia

- The person with dementia has not lost any spiritual ground that was previously gained.
- They are not *less than* they were before.
Elderwise Way Key Concepts:
The Environment

• What we want to do is create an environment where people feel well, where they are not rushed, where they feel safe, and their basic needs are taken care of.
Elderwise Way Key Concepts:  
The Environment

• This allows them to relax and be present.
Elderwise Way Key Concepts: The Environment

- In a virtual environment, consider how to create community and a sense of belonging.
**Elderwise Way Key Concepts:**

**Being in the Present**

- Being in the present can happen at any moment during the day.
Elderwise Way Key Concepts:
Being in the Present

• Being in the present can happen at any moment during the day.
• Tuning in fully gives one a sense of being complete in that moment.
Elderwise Way Key Concepts: Being in the Present

- It enlivens the mundane and turns the ordinary into an Experience.
**Elderwise Way Key Concepts:**

**Being in the Present**

- This awareness of our everyday actions can be thought of as: *It matters how.* . . .
Elderwise Way Key Concepts: Being in the Present

• This awareness of our everyday actions can be thought of as: *It matters how.*

• It is the attitude with which we do everything.
Elderwise Way Key Concepts: The Rhythm

• A regular rhythm soothes our soul and carries us smoothly through the day.
Elderwise Way Key Concepts: The Rhythm

• If you were to draw the rhythm of the day, it would look like a wave, going up for increased outward activity and going down for increased inward activity.
Elderwise Way Key Concepts: The Rhythm

Outward activities include:
- Exercising
- Socializing
- Snacking
- Singing
**Elderwise Way Key Concepts:**

**The Rhythm**

Inward activities include:
- Focused discussion
- Art
- Listening
Elderwise Way Key Concepts:
The Rhythm

Thinking about these waves of increased outward and inward activities can help us balance our programs.
