

It is with deep gratitude that we recognize our good friends in the community who have contributed \$500 or more to Jewish Family & Children's Service between October 1, 2015 and September 30, 2016, our Fiscal Year 2016. These contributions, along with those of all of our supporters, provide critical funds that enable our agency to provide the greatest breadth of social services under one roof throughout New England and to be a source of support to the thousands of people we serve each year.
