Moving company to work with JF&CS

WESTBOROUGH – Mark's Moving & Storage Inc., has agreed to provide free moving and storage services for JF&CS clients served by the Center for Basic Needs Assistance in 2017. The Center for Basic Needs Assistance is an integrated and comprehensive response to the issues most commonly facing people with low income.

The average cost of moving clients is \$770 per client. Last year alone, JF&CS helped move 22 clients.

"We are thankful for this incredible donation from Mark's Moving & Storage Inc.," said JF&CS CEO Rimma Zelfand. "Moving and storage costs can be a significant expense. With the help of Mark's Moving, we will be able to serve more clients in more profound ways."
